ABB see anorganic bovine bone
acelluar dermal matrix (ADM) 233, 318, 318
adhesive bridges 15
ADM see acellular dermal matrix
ADSD see Aesthetic Digital Smile Design
advancement flaps 199–201, 200
Aesthetic Digital Smile Design (ADSD) 33
age 41–43, 41–42
allografts
guided bone regeneration
234–235
immediately placed and loaded implants 95–97, 106, 106–110, 127
peri-implant tissue stability 171, 177
treatment complications and failures 327–333, 328–334
alloplasts
guided bone regeneration 237
treatment complications and failures 332–338, 333–338
alveolar ridge
distraction osteogenesis 276, 283–285
guided implant placement 251 immediately placed and loaded implants 51–53
peri-implant tissue stability 138, 141, 146–147
resorption 38
ridge augmentation 96–97
ridge preservation 143
treatment complications and failures 308–309, 313, 328
amoxicillin 92, 117
anaerobic bacteria 149
anesthesia 307
ankylosis 270
anodontia 4
anorganic bovine bone (ABB) 201, 206, 211, 216, 219, 226–227, 234–237
antibiotics 89–93, 102–103, 117
apical repositioning flap 273
Atrisorb® 114
atrophic maxilla 218
autografts
guided bone regeneration
201–202, 206, 211–219, 223, 226, 233–234
immediately placed and loaded implants 74, 80, 83, 88, 93, 98–100
axial implant positioning 286–288, 286–287
bone quality
guided implant placement 251
restorative space 283–284
treatment complications and failures 301
bone ring allograft 127, 177
bony window preparation 219
buccal bone plates
BBP see biophysical calcium phosphate
BF see bone fill
bioactive glass 335
Bioceramics 335, 335
biofilm 93
Bio-HPP 6
Bio-Oss collagen® 96–97
bioresorbable membranes 110–117, 110–117
biphasic calcium phosphate (BCP) 55–56, 334
bone fill (BF) 58–60, 58
bone graft fracture 323–325, 323–327
bone loss
guided implant placement 247
implant positioning 293
peri-implant tissue stability 141, 142, 146, 149–150, 156–157, 161
treatment complications and failures 303, 308–309
bone modeling/remodeling
immediately placed and loaded implants 55, 71, 77, 83
peri-implant tissue stability 143, 146–147, 147, 150
treatment complications and failures 321, 321
Brocken allograft sheet 109
