AIMS AND SCOPE

The *International Economic Review* was established in 1960 to provide a forum for modern quantitative economics. From its inception, the journal has tried to stimulate economic research around the world by publishing cutting edge papers in many areas of economics, including econometrics, economic theory, macro, and applied economics.

The review maintains two offices:

**International Economic Review**
3718 Locust Walk
University of Pennsylvania
Philadelphia, PA 19104-6297
U.S.A.

**International Economic Review**
Osaka University
Institute of Social and Economic Research Association
6-1 Mihogaoka

**SUBMISSIONS**

The *International Economic Review*, a peer reviewed journal, welcomes submissions for consideration by the Editorial Board.

Only electronic submissions will be accepted. You can submit your paper at: http://editorialexpress.com/ier. To start the review process, a submission fee must be paid ($65 for subscribers, $125 for nonsubscribers). Please call us at +1 215 898-5841 with your Visa/MC information (do not fax or email this information to us). The manuscript cannot be reviewed until the fee has been received. In exceptional cases for those who are unable to submit electronic files in PDF format, one copy of a paper can be submitted, with a cover letter, by mail addressed to the Submissions Office, *International Economic Review*, Department of Economics, University of Pennsylvania, 3718 Locust Walk, Philadelphia, PA 19104-6297, U.S.A.

Authors who wish to pay in yen should send a message to the Osaka office by email ier@iser.osaka-u.ac.jp or fax (81) 6-6879-8575. We will accept payment by PayPal only and will not accept payment by credit card any more or indicate that you have deposited the fee directly into Account No. 0197010, Ibaraki Branch (Branch Number 219), The Bank of Tokyo-Mitsubishi UFJ, Ltd. (Swift Code: BOTKJPJT) (please arrange to cover the payee’s handling fees).

A manuscript submitted to the *Review* should not be under consideration at another journal. It should conform to the style guide of the *Review*, copies of which are available from either office on request. The manuscript must be single sided, double spaced, and not more than 50 pages in length. Authors will be required to assign copyright in their paper to the Economics Department of the University of Pennsylvania and the Osaka University Institute of Social and Economic Research Association. Copyright assignment is a condition of publication and papers will not be passed to the publisher for production unless copyright has been assigned. (Papers subject to government or Crown copyright are exempt from this requirement). To assist authors an appropriate copyright assignment form will be supplied from the editorial office.
