Journal of Neuroendocrinology

Special Issue – reviews from the 9th International Congress of Neuroendocrinology, Toronto, Canada, July 2018

- Reviews from the ‘Timing’ theme
- Reviews from the ‘Metabolism’ theme
Aims and Scope The *Journal of Neuroendocrinology* is an international journal intended to act as a focus for the newest ideas, knowledge and technology in the neurosciences which are contributing to the rapid growth of neuroendocrinology. The aim of the Journal is to provide a medium which is responsive, through the strength of its Editorial Board, to the rapidly changing face of contemporary neuroendocrinology and which is able to expand and grow as rapidly as the subject. Original manuscripts dealing with both vertebrate and invertebrate systems will be published.

The Journal of Neuroendocrinology is published by John Wiley & Sons Ltd, 9600 Garsington Road, Oxford OX4 2DQ, UK. Blackwell's programme has been merged with John Wiley & Sons in February 2007. Blackwell's programme has been merged with Wiley's global Scientific, Technical, and Medical business to form Wiley-Blackwell.

**Copyright and Copying** (in any format). Copyright © 2019 British Society for Neuroendocrinology. All rights reserved. No part of this publication may be reproduced, stored or transmitted in any form or by any means without the prior permission in writing from the copyright holder. Authorization to photocopy items for internal and personal use is granted by the copyright holder for libraries and other users registered with their local Reproduction Rights Organisation (RRO), e.g. Copyright Clearance Center (CCC), 222 Rosewood Drive, Danvers, MA 01923, USA (www.copyright.com), provided the appropriate fee is paid directly to the RRO. This consent does not extend to other kinds of copying such as copying for general distribution, for advertising and promotional purposes, for creating new collective works or for resale. Special requests should be addressed to: permissions@wiley.com

**OnlineOpen** is available to authors of primary research articles who wish to make their article available to non-subscribers on publication, or whose funding agency requires grantees to archive the full version of their article. With OnlineOpen, the author, the author’s funding agency, or the author’s institution pays a fee to ensure that the article is made available to non-subscribers upon publication via Wiley Online Library, as well as deposited in the funding agency’s preferred archive. For the full list of terms and conditions, see http://authorervices.wiley.com/bauthor/onlineopen.asp. Any authors wishing to send their paper OnlineOpen will be required to complete the payment form available from our website at: https://authorservices.wiley.com/authoronlineopen_order.asp. Prior to acceptance there is no requirement to inform an Editorial Office that you intend to publish your paper OnlineOpen if you do not wish to. All OnlineOpen articles are treated in the same way as any other article. They go through the journal’s standard peer-review process and will be accepted or rejected based on their own merit. The *Journal of Neuroendocrinology* accepts articles for Open Access publication. Please visit http://olabout.wiley.com/WileyCDA/Section/id-406241.html for further information about OnlineOpen.

Wiley’s Corporate Citizenship initiative seeks to address the environmental, social, economic, and ethical challenges faced in our business and which are important to our diverse stakeholder groups. Since launching the initiative, we have focused on sharing our content with those in need, enhancing community philanthropy, reducing our carbon impact, creating global guidelines and best practices for paper use, establishing a vendor code of ethics, and engaging our colleagues and other stakeholders in our efforts. Follow our progress at www.wiley.com/go/citizenship

Wiley is a founding member of the UN-backed HINARI, AGORA, and OARE initiatives. They are now collectively known as Research4Life, making online scientific content available free or at nominal cost to researchers in developing countries. Please visit Wiley’s Content Access – Corporate Citizenship site: http://www.wiley.com/WileyCDA/Section/id-390082.html

The Journal of Neuroendocrinology is covered by Index Medicus, MEDLINE, Elsevier BIOBASE/Current Awareness in Biological Sciences and EMBASE/Excerpta Medica.

Official Journal of the European Neuroendocrine Association, the British Society for Neuroendocrinology and the International Neuroendocrine Federation
