Wiley’s Corporate Citizenship initiative seeks to address the environmental, social, economic and ethical challenges faced in our business and which are important to our diverse stakeholder groups. Since launching the initiative, we have focused on sharing our content with those in need, enhancing community philanthropy, reducing our carbon impact, creating global guidelines and best practices for paper use, establishing a vendor code of ethics, and engaging our colleagues and other stakeholders in our efforts. Follow our progress at www.wiley.com/go/citizenship.

Wiley is a founding member of the UN-backed HINARI, AGORA, and OARE initiatives. They are now collectively known as Research4Life, making online scientific content available free or at nominal cost to researchers in developing countries. Please visit Wiley’s Content Access – Corporate Citizenship site: http://www.wiley.com/WileyCDA/Section/id-390082.html

Paediatric and Perinatal Epidemiology accepts articles for Open Access publications. Please visit http://about.wiley.com/WileyCDA/Section/id-860881.html for further information about OnlineOpen.

Abstracting and Indexing Services
The journal is indexed by: Current Contents/Clinical Medicine, EMBASE/Excerpta Medica, Index Medicus, Medline, ISI Alerting Services and Science Citation Index Expanded.

Online Open
Paediatric and Perinatal Epidemiology accepts articles for Open Access publication. Please visit http://about.wiley.com/WileyCDA/Section/id-860881.html for further information about OnlineOpen.

Contents

Maternal complications
1  Need to ensure that improvements in stillbirth rates are also achieved in high-risk groups
   A. E. P. Heazell

Maternal complications
3  Reducing caesarean delivery: An economic evaluation of routine induction of labour at 39 weeks in low-risk nulliparous women

12  Differences in caesarean delivery and neonatal outcomes among women of migrant origin in Finland: A population-based study
    K. Bastola, P. Koponen, M. Gissler, T. I. Kinnunen

Neonatal and childhood outcomes
21  Phenotyping congenital anomalies in administrative hospital records
    A. Zylbersztejn, M. Verfürden, P. Hardelid, R. Gilbert, L. Wijlaars

31  Intergenerational effect of early-life growth on offspring height: Evidence from the Hertfordshire Cohort Study
    C. M. Parsons, S. A. Carter, K. Ward, H. E. Syddall, M. A. Clynes, C. Cooper, E. M. Dennison

38  Commentary: Does intergenerational always mean epigenetic? Challenges in the interpretation of multi-generational studies
    D. P. Misra, N. M. Talge

40  Out-of-home care placements of children and adolescents born preterm: A register-based cohort study
    S. Alenius, E. Kajantie, R. Sund, M. Nurhonen, P. Näsänen-Gilmore, M. Viitäläsmäki, M. Gissler, P. Hovi

50  Modelling factors for Aboriginal and Torres Strait Islander child neurodevelopment outcomes: A latent class analysis
    N. A. Strobel, A. Richardson, C. C. J. Shepherd, K. E. McAuley, R. Marriott, K. M. Edmond, D. R. McAulay

62  Sleep duration trajectories from age 3 to 48 months in The Pelotas (Brazil) 2004 Birth Cohort Study
    M. O. Xavier, R. M. Bielemann, M. X. Carpena, F. C. Barros, A. Matijasevich, I. S. Santos

72  Effects of prenatal bacterial infection on cognitive performance in early childhood

Methods
82  The fragile foundations of the extended fetuses-at-risk approach
    O. Basso

Study Design Article
88  The Victorian Intergenerational Health Cohort Study (VIHCS): Study design of a preconception cohort from parent adolescence to offspring childhood

Letters to the Editor
101  Re: Agreement between current status and retrospective data for prevalence and duration of exclusive breast feeding from low- and middle-income countries surveys: Methodological issues
    A. Shokri, S. Sabour

102  Re: Agreement between current status and retrospective data for prevalence and duration of exclusive breast feeding from low- and middle-income countries surveys
    A. E. M. Rinaldi, C. M. Azeredo, L. A. Pereira, B. L. Horta, W. L. Conde

Paediatric and Perinatal Epidemiology is covered by:
Current Contents/Clinical Medicine, Excerpta Medica, Index Medicus, Medline, ISI Alerting Services and Science Citation Index Expanded.
