

Call for Papers Special Issue

After the Financial Econometrics Conference to mark Stephen Taylor's Retirement which took place at Lancaster University, UK, 29–31 March 2023, the **Journal of Time Series Analysis** invites submissions to a special issue:

in Honour of Stephen J. Taylor

Papers in all areas of Time Series Analysis and Financial Econometrics are welcomed and papers with a reference to Stephen Taylor's work are particularly encouraged.

The deadline for submission is **29 February 2024**.

Please see the Journal of Time Series Analysis (JTSA) Author Guidelines for how to submit: [Journal of Time Series Analysis \(wiley.com\)](https://onlinelibrary.wiley.com/doi/10.1111/jtsa.12500)

During the submission process, you should choose the option 'Special Issue Paper' and also the name of the intended issue when prompted: "In Honour of Stephen Taylor".

The guest editors of the special issue are:

Torben Andersen, Northwestern University, t-andersen@kellogg.northwestern.edu

Kim Christensen, Aarhus University, kim@econ.au.dk

Ingmar Nolte, Lancaster University, i.nolte@lancaster.ac.uk
