

## Sources

Alphabetical list of all keywords used in this issue. The numbers refer to the heading under which the word may be found.

### Headings:

1. Analytical instruments/Analysis/Balances/Measuring devices
2. Biochemicals
3. Chemical literature
4. Chemicals for analytical purposes
5. Chromatography
6. Clinical chemistry/Medicinal chemistry
7. Computer/Software/Databases
8. Cooling and freezing
9. Environment and environmental chemistry
10. Filtration and separation
11. Heating and drying
12. Inorganic chemicals
13. Instrument-making and process engineering
14. Laboratory equipment and instruments
15. Measuring of pressure and temperature
16. Microscopy/Optical instruments
17. Miscellaneous
18. Mixing/Transportation/Storage
19. Organic chemicals
20. Pumping and dispensing
21. Services
22. Spectroscopy
23. Vacuum technology

### Key words with heading number

BF<sub>3</sub>-Complexes 12  
 Bursting discs 13  
 Centrifuges 10  
 Centripetal filters 2  
 Cesium, metal and compounds 12  
 D-Penicillamine 19  
 Explosion panels 13  
 Gas chromatograph/mass spectrometers 22  
 Gas-introduction systems 20  
 Heating apparatus, explosion proof 11  
 Ion mobility spectrometers 22  
 Magnesium trisilicate 12  
 Nozzles 14  
 Osmometers 1  
 Sodium compounds 12  
 Sodium tetraphenylborate 19

WILEY-VCH

### Analytical instruments/ Analysis/Balances/ Measuring devices

#### Osmometers

(see Measuring of pressure and temperature)

### Filtration and separation

#### Centripetal filters

Düsen-Schlick GmbH  
 Hutstr. 4, 96253 Untersiemann  
 Tel.: 0 95 65 94 81-0  
 Fax: 0 95 65/28 70

### Heating and drying

#### Heating apparatus, explosion-proof

Schniewindt GmbH & Co. KG,  
 Neuenrade/Westf.

### Inorganic chemicals

#### BF<sub>3</sub>-Complexes

HEYL, 14167 Berlin

#### Cesium, metal and compounds

Chemetall GmbH – Special Metals  
 Division  
 Trakehner Str. 3, 60487 Frankfurt a.M.  
 Tel: 0 69/71 65-34 58  
 Fax: 0 69/71 65-25 23

#### Magnesium trisilicate

VAN BAERLE & CO, 64575 Gernsheim

#### Sodium compounds

VAN BAERLE & CO, 64575 Gernsheim

#### Sodium silicate

### Microscopy/Optical instruments

#### Scanning force microscope

JPK Instruments AG  
 Bouchestraße 12, D-12435 Berlin  
 Tel.: 49 30 53 31 12 07 3  
 Fax: 49 30 53 31 12 02  
 office@jpk.com, www.jpk.com

### Laboratory equipment and instruments

#### Nozzles

Düsen-Schlick GmbH  
 Hutstr. 4, 96253 Untersiemann  
 Tel.: 0 95 65 94 81-0, Fax: 0 95 65/28 70

### Organic chemicals

#### D-Penicillamine

HEYL, 14167 Berlin

#### Sodium tetraphenylborate

HEYL, 14167 Berlin

### Spectroscopy

#### Ion mobility spectrometers

Bruker-Saxonia Analytik GmbH  
 Permoserstr. 15  
 04318 Leipzig
