I. Authorship Responsibilities and Contributions (each author must read and sign)

Each author (whether a first author or a corresponding author) must meet the criteria below and should indicate general and specific contributions by checking the appropriate boxes.

A. Authorship responsibility

- I certify that neither this manuscript and, if submitted therewith, corresponding video (together, the "Submitted Publication Material") nor any other manuscript, video or other writing or material (on whatever media) with substantially similar content under my authorship has been published or is being considered for publication or other distribution elsewhere, except in abstract form as quoted in the Submitted Publication Material, and that it will not be submitted elsewhere pending written notice of acceptance or rejection by this Journal. If requested by the editors, I will provide the data or will cooperate fully in obtaining and providing the data on which the Submitted Publication Material is based for examination by the editors or their assignees. For Submitted Publication Material with more than one author, I agree to allow the corresponding author to serve as the primary correspondent with the editorial office, to review the edited typescript and proof or, if on other than paper media, other corresponding draft material, and to make decisions regarding release of information in the Submitted Publication Material in the media, federal agencies, or both. If I am the only author, I will be the corresponding author and agree to serve in the roles described above.
- I warrant that the Submitted Publication Material contains no unlawful statements and that it is an original work of authorship and does not violate any intellectual property rights of others. If excerpts, charts, graphs or other limited content from any other publication, manuscript or other writing or copyrighted item are included, written permission has been secured and declared.
- I have given final approval to the Submitted Publication Material.

B. Responsibility

I have participated sufficiently in the Submitted Publication Material to take public responsibility for (check one of two):

- part of the content
- the whole content

C. Contributions

I certify that I have made substantial contributions to the intellectual content of the Submitted Publication Material as described below. (To qualify for authorship, you must check at least one box for each of the three categories of contributions listed below.)

1. Check at least one of three:
 - conception and design
 - acquisition of data
 - analysis and interpretation of data
2. Check at least one of two:
 - drafting of all or part of the Submitted Publication Material
 - critical revision of all or part of the Submitted Publication Material for important intellectual content
3. Check at least one of six:
 - statistical expertise
 - obtaining funding
 - administrative, technical, or material support
 - supervision
 - no additional contributions
 - other (specify)

RESERVED RIGHTS: Any and all proprietary rights other than the rights expressly granted hereunder are hereby reserved to the author, as well as the right to reproduce original figures and tables from the Submitted Publication Material in their future works, provided full credit is given to the original publication. The Movement Disorder Society grants back to the authors the right to share with colleagues print or electronic "preprints" of the unpublished Submitted Publication Material, in form and as accepted for publication in the Journal. Such preprints may be posted as electronic files on the author's own website for personal or professional use, or on the authors internal university or corporate networks/intranet, or secure external website at the author's institution, but not for commercial sale or for any systematic external distribution by a third party (for example a listserve or database connected to a public access server). Prior to publication, the author must include the following notices in the preprint: 'This is a preprint of an article or other item accepted for publication in [Movement Disorders], copyright The Movement Disorder Society. After publication of the Submitted Publication Material by Movement Disorders the preprint notice should be amended to read as follows: 'This is a preprint of an article or other item published in Movement Disorders [citation],' and an electronic link should be provided to the Journal's website, located at <http://www.interscience.Wiley.com/>. The author agrees not to update the preprint or replace it with the published version of any Submitted Publication Material.

A. Contributor-owned work

The author undersigns hereby transfers, assigns, or otherwise conveys all copyright ownership in and to the Submitted Publication Material, including any and all rights incidental thereto, exclusively to The Movement Disorder Society, in the event that the Submitted Publication Material is published in Movement Disorders.

IV. Acknowledgement Statement (to be signed by the corresponding author only)

Authors should obtain written permission from all individuals named in the acknowledgment, since readers may infer their endorsement of data and conclusions. The corresponding author must sign the following statement:

- I certify that all persons who have made substantial contributions to the Submitted Publication Material and/or the work reported therein (data collection, writing or editing assistance) but who do not fulfill the authorship criteria are named along with their specific contributions in an acknowledgement section in the Submitted Publication Material. If an acknowledgement section is not included, no other persons have made substantial contributions to the Submitted Publication Material.
- I certify that all persons named in the acknowledgement section have provided me with written permission to be named.

V. Video and photography consent (to be signed by the corresponding author only if patient identifiable material is included in the Submitted Publication Material)

I hereby confirm that, in the event that the Submitted Publication Material includes, discloses or incorporates any content (including, without limitation, any video clip or photograph) which identifies any individual patient(s) ("patient identifiable content"), I obtained from such patient(s) written consent to such inclusion, disclosure or incorporation and that such consent provided therein fully complies with all legal requirements relating to such inclusion, disclosure or incorporation, including, without limitation, all of the requirements of the laws of the jurisdiction(s) to which the patient(s) and the patient(s)' physician are subject, including, if applicable the specific requirements of the United States Health Insurance Portability and Accountability Act of 1996 ("HIPAA") set forth in the Instructions to Authors, a copy of which I hereby acknowledge having received and carefully reviewed. I hereby certify that, if the patient consent form is in a language other than English, such consent form meets all of the requirements set forth in the Instructions to Authors. In addition, I hereby confirm that I obtained from the patient(s) written consent to use the patient identifiable content in both print and online (i.e. Internet/Web-based) publication formats. I further certify that the person executing any such patient consent form, to the best of my knowledge, had legal capacity under applicable law to execute said form on behalf of such patient.
