

Tectonics

Editor in Chief Search

AGU is looking for a dynamic, well-organized scientist with high editorial standards and strong leadership skills to serve a 4-year term as Editor in Chief for *Tectonics*, one of AGU's flagship journals.

Working with the other *Tectonics* editors, associate editors, and AGU staff, the EIC is the arbiter of the content of the journal. Among other functions, the EIC will:

- **Act as an ambassador to authors, editors, reviewers, and the scientist community.**
- **Set the strategy for the journal.**
- **Lead the editor selection process.**
- **Assign and balance review work load.**
- **Rule on decisions regarding ethics.**
- **Review and contribute to periodic monitoring reports.**
- **Conduct and attend meetings involving editors and AGU staff.**

Journal Scope

Tectonics contains original scientific contributions in analytical, synthetic, and integrative tectonics. Papers are restricted to the structure and evolution of the terrestrial lithosphere with dominant emphasis on the continents. *Tectonics* is an AGU publication with editorial collaboration from the European Geosciences Union.

If you would like to be considered for the Editor in Chief position of *Tectonics*, send your curriculum vitae with a letter of interest via email to pubmatters@agu.org. If you would like to nominate a highly qualified colleague, send a letter of recommendation to the same email address. Please make sure that you specify *Tectonics* in the subject line of the email.

Deadline for applications is 31 July 2013
